P2b Class Newsletter

MISS NELSON

Term 3 - February 2024

Literacy

We have been learning to:

- write great describing sentences about dinosaurs
- use all of our split digraphs in phonics
- put a date & title on our work.

Next, we will be learning to:

- use lists in our writing
- read some more challenging books.

Numeracy

We have been learning to:

- talk about 2D shapes & 3D objects
- build fluency in adding & subtracting
- use tally marks (useful for reading the Table Points chart!)

Next, we will be learning to:

- use pie charts for data handling
- link our skip counting to times tables

Learning across the Curriculum

We have been learning to:

- understand the difference between herbivores, carnivores & omnivores
- work together to make amazing model volcanoes - cannot wait to erupt them!
- make sponge print dinosaur art

Next, we will be learning to:

- use lists to help us make fossils
- use lists to help us make dino biscuits

One of our awesome volcanoes

Class Chat

Some of our classmates have already achieved their Bronze Award for Star Points, & competition for Classmate & Table of the Week continues to be fierce. We have started to share our achievements & display work of which we are especially proud. We have started to get outside a bit more now that the weather is getting better & earned lot of miles for our school's Journey to Jupiter.

Our fab sponge print dinosaur art
