

Loanhead Primary School

P4 Class Newsletter

Mrs Roy

Term 3 - February 2024

Literacy

We have been learning to

- Read with fluency
- Predict what is going to happen next
- Write a poem containing similes

Next we will be learning to

- Explore visualisation
- And summarise the main ideas of a story

Numeracy

We have been learning to

- Calculate fractions of a quantity
- Put fractions on a number line
- Gather data and input on to a bar chart

Next we will be learning to

- Count money using addition and subtraction
- Explore other ways to display data

Learning across the Curriculum

We have been learning to

- Use water colours and paper folding techniques through our China topic
- Use an atlas to explore geography

Next we will be learning to

- Use clay to create models
- Talk about the weather in French

P4 have been producing lots of super work. We are reading 'When the Mountain Meets the Moon', linking to our China topic. The pupils are sharing fantastic ideas and there have been great discussions. We have tried using chopsticks, we've explored China in the past and will be looking at nature soon. Thank you for your support with homework and I am always available at the end of the day for any queries.

Look at our amazing work!
