

Loanhead Primary School

P4 Class Newsletter

Mrs Roy

Term 4 - May 2024

Literacy

We have been learning to

- Write a report (writing)
- Use description in our writing (writing)
- Present to an audience (listening and talking)

Next we will be learning to

- Explore inference in our new class text, Ellie and the Cat (reading)
- Write a response text (writing)

Numeracy

We have been learning to

- Recognise coins and calculate change
- Choose how we display data we have gathered

Next we will be learning to

- Tell the time
- Explore measure including length, weight and volume

Learning Across the Curriculum

We have been learning to

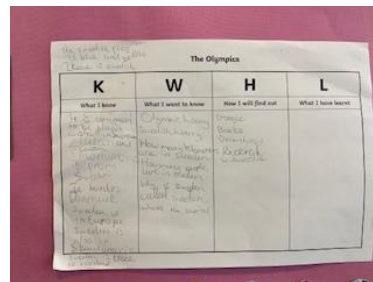

- Use research skills online to find out information (ICT)
- Use different layering styles to create art work (Art and Design)

Next we will be learning to

- Use Microbits as part of coding (ICT)

P4 had a great term three! They covered so many areas of the curriculum and progressed well. We had lots of successes in and out of school to celebrate too. In term four, we are starting to get ready for primary five and moving towards second level work. We will be delving into some non-fiction texts, working with P5/4 and P5 to learn about the Olympics, and enjoying all the summery events lined up.

Look at our amazing work!

This is work from our Olympics topic. The pupils have been put into groups with pupils from P5/4 and P5.

Each group has been provided with a country which will be theirs for the topic. They will research and learn about their chosen nation.
