- Write a diary entry
- Spell common and tricky words

Next we will be learning to:

- Make a comic strip & newspaper report
- Use more description in story setting

Numeracy

We have been learning to:

- Use a compass
- Recognise a right angle
- Follow directions, use grid references

Next we will be learning to:

- Measure in Kg/g, M/mm, L/ml
- Understand probability

Learning across the Curriculum

We have been learning about:

- Vikings life, clothes, food, jobs etc
- ICT-Created a SWAY on Vikings life.
- French foods and drinks

Next we will be learning to

- Understand Global Goals for All
- Say classroom objects in French

We have had an amazing term and know much about Vikings, producing excellent Viking Long ships, thank you to all involved. We hope to enjoy a visit to Vikingar, Largs on Wednesday 8th May, to celebrate our Viking learning.

Most of us know our 2, 5 and 10 times tables, some know 3 & 4. A great achievement that will help develop our Numeracy skills.

Here are just a few of our Viking Longboats.
