

Loanhead Primary School

P3/2 Class Newsletter

Mrs. Taylor/Mrs. Johnston

Term 4 - May 2024

Literacy

We have been learning to

- use imagination in our writing
- read and act out plays
- name our family members in French

Next we will be learning to

- take notes (P3)
- identify and use verbs (P2)

Numeracy

We have been learning to

- skip count in 2's, 5's and 10's (P2)
- use our multiplication tables (P3)
- investigate measure (length/area)

Next we will be learning to

- use our 2x table (P2)
- use multiplication in word sums (P3)

Learning across the Curriculum

We have been learning to

- identify different means of transport
- use MS Word (P2) and Sway (P3)
- identify properties of materials

Next we will be learning to

- investigate a seaside environment
- develop our use of Beebots

In P3/2 we always record our feelings on the Feelings Board at morning check-in. All children continue to work hard to earn points and we already have two pupils who are using a Platinum Points Chart!

We continue to watch the progress of our caterpillars, who have moved into their chrysalides, and we are patiently waiting to welcome our butterflies.
