P2b Class Newsletter

MISS NELSON

Term 4 - April 2024

Literacy

We have been learning to:

- write sentences using our doing words (verbs) in the past tense
- read and write using nearly all of our P2 phonemes - only one new sound to go!

Next, we will be learning to:

- develop our comprehension skills

Numeracy

We have been learning to:

- partition two-digit numbers into tens and ones
- use partitioning to add tens to a two-digit number.

Next, we will be learning to:

- use partitioning to add any two-digit numbers together.

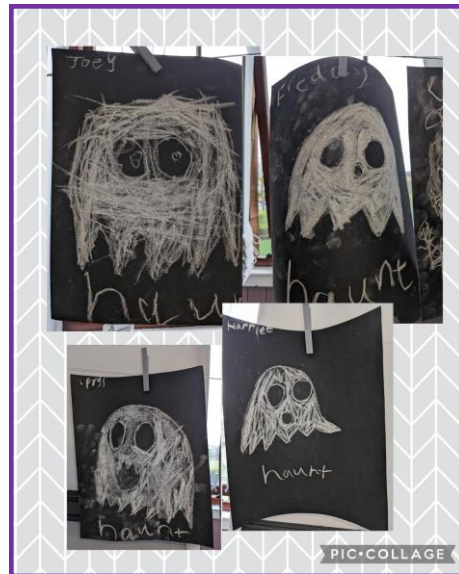

Learning across the Curriculum

We have been learning to:

- explore the world of Katie Morag
- write postcards about our imaginary holiday to the Isle of Struay
- understand the life cycle of a plant using 'The Tiny Seed' by Eric Carle.

Next, we will be learning to:

- plant a seed and look after it so we can see the life cycle in action.

We made chalk pictures of some spooky ghosts to help us remember the **au** sound and the word 'haunt'.

Class Chat

Many of our classmates have now achieved their Bronze level Star Points award and the rest are so very close - keep up the good work! We changed our table layout and seating plan to allow us make more active learning in the class. Our classmates are working hard to earn table points and get their hands on a prize! We are also very excited to welcome two new pupils to our class since Christmas 😊

I was so proud of how well the class did with their data handling work. We used our tally marks to help us understand pictograms, bar charts and pie charts!
