

Loanhead Primary School

P1a Class Newsletter

Mrs Poulter

Term 4 - May 2024

Literacy

We have been learning to

- Use our sounds and diagraphs to help us write sentences independently.
- Use our sounds to help us read independently.
- Create sentences on our own in our free writing jotters

Next we will be learning to

- Use our diagraphs to spell more complex words

Numeracy

We have been learning to

- Count in two's, fives and tens
- Add and subtract within 20 and beyond for some.
- Learning about money and how to pay for things and what change we might get.

Next we will be learning to

- Measure length, weight and capacity.

Learning across the Curriculum

We have been learning to

- Recognise people who help us.
- Learn how to keep myself safe.
- Create art work showing people who help us.

Next we will be learning to

- All about mini beasts.
- Learn some of the features of mini beasts.

Primary 1a continue to celebrate how well we follow the school rules and we have earned lots of points for showing our good manners. Violet, Rory, Aura, Sloane and Harper have already achieved their Silver Award.
