

# Loanhead Primary School

## P5/4 Class Newsletter

Mrs Templeman

Term 4 - May 2024

### Literacy

We have been learning to:

- Talking stations to start using persuasive techniques.
- Change a statement to a rhetorical question.
- Spell words with the /l/ and /f/ phoneme

Next we will be learning to:

- /g/, /ow/, /oi/, /k/ phoneme in spelling.
- Use rhetorical questions writing.

### Numeracy

We have been learning to:

- Use bar diagrams for fraction of a quantity.
- Using co-ordinates in games and maps.
- See patterns in numbers and continue the pattern.

Next we will be learning to:

- Measure length, including changing scale.
- BODMAS - B DM and AS

### Learning across the Curriculum

We have been learning to:

- Use cardboard construction techniques.
- Use scratch animation.
- Develop our badminton skills.

Next we will be learning to

- Use research skills to find out about the Olympics.
- Use tinfoil to create a sculpture.

To raise attainment in numeracy pupils are working in pairs to master sum layout for the 4 operations to thousands.

Level 2 pupils are developing their use of a wider variety of joining words to join two sentences in writing. (e.g. when, once,)

Please see Teams for suggested homework to help progress.
