

# Loanhead Primary School

## P3A Class Newsletter

Mrs Donnelly

Term 3 - January 2025

### Literacy

We have been learning to

- Use strategies to retain spelling
- Create Reports and Acrostic Poems

Next we will be learning to

- To take notes
- Create Storyboards
- Make plurals by adding s/es

### Numeracy

We have been learning to

- Multiply and divide using concrete materials and using times table facts
- Create Frequency tables and Bar graphs
- Tell the time using digital & analogue clock

Next we will be learning to

- Consolidate division
- Recognise coins, notes and use money

### Learning across the Curriculum

We have been learning to

- Develop Gymnastic skills
- Take part in Scottish dance

Next we will be learning to

- Understand the importance of sleep and good hygiene
- Acquire some French Greetings

P3 are continuing to work well together and are a delight to teach. We hope to further develop Celts learning with a Historical Celt visitor in February. We have begun to practise for our assembly using our acting and singing skills. Help at home with reading, spelling and times tables would be greatly appreciated; to enhance your child's learning. Thank you for this continued support!

As part of topic work: we made and enjoyed making porridge, tasting goat's milk, cheese and honey. Children created tartan, made a Pop Art picture of Robert Burns, and have learned our Scottish poem 'The Sair Finger'.

We have been learning about the Celts and know: The food they ate, clothes they wore and the jewellery they made; and the importance of this in their lives.
