

Loanhead Primary School

P2/3 Class Newsletter

Mrs Warren

Term 3 - January 2025

Literacy

We have been learning to

- Continue to use our knowledge of phonics to help spell, read and write new words
- Use nouns and bossy (imperative) verbs
- Recite poetry and identify rhyme in our class novel

Next we will be learning to write instructions.

Learning across the Curriculum

We have been learning to

- Count rhythm and beat using tambourines and shakers
- Recite days of the week in French
- Weave with wool and learn about Scottish wildlife and islands

Next we will be learning about the rainforest, road safety

General update from teacher

The class enjoy sharing wider achievements and this is a very popular way for the children to present information. Please keep them coming! We are learning gymnastics in PE and about unsafe substances around the home. Pupils participate in daily 'free writing' for 10 mins to improve literacy skills. They enjoy class leadership jobs and are enthusiastic about the upcoming class assembly. We can't wait to share our learning.

Numeracy

We have been learning to

- Use our two times table (P2) and four times table (P3)
- Use 'near doubles' to support mental maths
- P3 are working on word problems and identifying which calculation to use

Next we will be learning about money and the eight times table (p3) and division.
