

Loanhead Primary School

P5 Class Newsletter

Mrs Johnston

Term 3 - January 2025

Literacy

We have been learning to

- work out unfamiliar word meanings;
- use interesting sentence openers;
- use eye-contact, appropriate body language and facial expressions.

Next we will be learning to

- use headings, annotated diagrams and bullet points.

Numeracy

We have been learning to

- recognise and continue number patterns;
- find a fraction of a quantity;
- partition to multiply a TU number.

Next we will be learning to

- tell the time using digital and analogue
- convert measurements cm to mm

Learning across the Curriculum

We have been learning to

- create a dance as a group
- research natural disasters
- gymnastics

Next we will be learning to

- play possession games in PE
- stay safe on the internet

Lexi is pleased she is using paragraphs correctly. Shona is happy she is using punctuation in her sentences. Esme and Harris can confidently measure accurately using millimetres. Melissa is pleased she can find a fraction of a quantity. Leon is happy he can work out the meaning of words accurately. Merida is confidently using a larger variety of vocabulary. Tee-Jay is excellent at researching different topics, taking detailed notes in ICT. Nicholas is happy that his mental maths is much quicker. Jay can play a great rhythm on the drums.
