- Create notes/write Explanations

Next we will be learning to

- Create notes/write Persuasive texts
- Add description when writing
- Assess spelling and reading levels

### Numeracy

We have been learning to

- Understand Fractions
- Measure using metre/cm and area

Next we will be learning to

- Measure in Kilogram/gram
- Measure in Litre/millilitre
- Understand Probability

### Learning across the Curriculum

We have been learning to

- Develop ball skills
- Know how to call 999 & road safety

Next we will be learning to

- Understand the Rainforest
- Research Global Goals

P3A have all worked extremely well this year. They enjoyed performing in our Celts assembly and learned lots. We are looking forward to attending the 'Amazonia' experience to further enhance our learning.

As part of topic work, we have learned about Rainforest animals and created 3D pictures.

We have been writing about the layers of the Rainforest; and animals and plants that live there. We also know some food chains of plants animals; and the transfer of energy in food that keeps things on our planet alive.
