

Loanhead Primary School

P7 Class Newsletter

C. Speirs

Term 4

Literacy

We have been learning to

- Work collaboratively during reciprocal reading tasks.
- Perform with good audience awareness.

Next we will be learning to

- Write retrospectively about our primary school years.

Numeracy

We have been learning to

- Understand and use angles.
- Understand and use area and perimeter.
- Link fractions, decimals and percentages.

Next we will be learning to

- Use negative numbers in context.
- Solve equations using algebraic notation.

Learning across the Curriculum

We have been learning to

- Understand perspective in art.
- Care for our local environment by taking part in a litter pick.

Next we will be learning to

- Further develop our understanding of the human body and use this knowledge to maintain good health.

P7 have had a very busy term so far. Well done to Eilidh McKie, Eilidh McRobert and Bella who were chosen to take part in the KA Social Subjects Challenge. We rounded off our WW2 topic with a great performance for VE Day and we had a taste of what life was like in a WW2 classroom when we saw the belt and dunce's cap as a means of discipline. We had 'drill' for PE which involved marching and crawling.

Robin Meade inspired landscapes using perspective. (Earth Day April 22nd)
