

Loanhead Primary School

P6 Class Newsletter

Miss Wynne

Term 1 - September 2025

Literacy

We have been learning to:

- Recognise and use adverbs.
- Join up our writing.
- Create an imaginative story using the 'story mountain'.

Next we will be learning to:

- Write a report.
- Use synonyms.

Numeracy

We have been learning to:

- Understand and use place value.
- Understand and use rounding numbers up to 1,000,000.
- Remember and recite our times tables.

Next we will be learning to:

- Estimate numbers.
- Use estimating and rounding in context.

Learning across the Curriculum

We have been learning to:

- Follow instructions and routines.
- Create double decker marble runs.
- Create board games.

Next we will be learning to

- Recognise different body systems through topic: body systems and cells.
- Create art linked to our topic.

Primary 6 have been settling in and adjusting to the rules and routines of the class.

Pupils have been working well together demonstrating great teamwork. They have been supporting one and other in group activities as well as sharing ideas in class discussions
