

Loanhead Primary School

P4d Class Newsletter

Mr de Vry

Term 1 - September 2025

Literacy

We have been learning to:

- Use our sounds and diagraphs to help us write sentences independently.
- Use our sounds to help us read independently from our class novel.
- Create our own writing and sentence structures.

Next, we will be learning to:

Develop our spelling and decoding strategies to enhance writing.

Learning across the Curriculum

We have been learning to:

- Write independent notes on our topic of The Vikings.
- how to interact with others in a positive way and how to set an example to others.

Next, we will be learning to

- Develop our presentation skills by making a creative poster on our topic.

In Primary 4d we continue to celebrate how well we follow the school values and reminders. We are working on developing a positive working environment where we all feel included and respected.

Numeracy

We have been learning to:

- Interpret and solve problems by adding and subtracting to 50 and beyond for some.
- Explore our 2, 4 and 5 times tables.
- Round numbers to the nearest 10 and 100.
- Next, we will be learning to:
- We will focus on addition and subtraction with extended operations.
- Discuss digits and numbers and their position and their values.
- Work on estimation.
