

# Loanhead Primary School

## P4T Class Newsletter

Mrs Templeman

Term 1 - September 2025

### Literacy

We have been learning to

- Decode multi syllable words.
- Write in a paragraph.
- Use our hearing to spell words with the correct letters.

Next, we will be learning to:

- How to work out the meaning of a new word within a text.

### Numeracy

We have been learning to

- Round and estimate to nearest 10 or 100.
- Master our times tables.
- Add two 3 digit numbers with using exchange and carrying.

Next, we will be learning to:

- We will transfer addition skills to multiplication.
- Link multiplication to division.

### Learning across the Curriculum

We have been learning to

- Write independent notes on our topic of The Vikings.
- To follow instructions to create a one-point perspective line drawing.

Next, we will be learning to

- Use different media to record our findings about the Vikings.

In Primary 4T we continue to celebrate how well we follow the school values and reminders. We are working on developing a positive working environment where we all feel included and respected.
