

Loanhead Primary School

P3 Class Newsletter

Mrs Donnelly

Term 1 - September 2025

Literacy

We have been learning to:

- Use strategies to help us spell
- Use capitals . ! and ? in sentences
- Use description in our writing

Next, we will be learning to

- Use the connective 'and'
- Vary sentence openers

Numeracy

We have been learning to:

- Partition numbers and understand the value of each digit in Place Value
- Tell the time o'clock and half past

Next, we will be learning to

- Continue estimation, rounding and PV
- Explore time quarter to/quarter past

Learning across the Curriculum

We have been learning to:

- Understand children's rights
- Know about Harvest
- Develop resilience when things change

Next, we will be learning to:

- Develop hockey and fitness skills
- Say our name/age/greetings in French

P3 have merged well and are developing sharing and caring in class. Our topic this term is 'Under the Sea'; we know the layers and some fish and animals that live there. We will contrast and compare Judaism to Christianity at Harvest. We have revised spelling and phonics and will now move to Year 3 for spelling and common words. Parents can help at home by reading books, practising spelling and times tables.

As part of topic work, children created seagulls in 3D, colour, paint and use textiles, to create a class display.

We have been learning about 'Children's Rights' and have created these posters to show some ideas the ones we know about.
