P2/3 is settling well into their new routine and classroom. They are enjoying earning 'group points' and are working well using meta skills like collaboration and adaptability. We are currently reading The Lighthouse Keepers lunch and have extended this to 'Under the Sea' exploration. Miss Nelson currently teaches P2/3 on a Thursday and is teaching aspects of grammar to support literacy. We occasionally choose to 'drop everything and read' to encourage reading for enjoyment. Please feel free to send your child to school with their favourite book from home that they can pick up and read in class. This can be kept in their personal tray. Many thanks for your support and encouragement with learning.
