

# Loanhead Primary School

## P4d Class Newsletter

Mr de Vry

Term 3 - February 2026

### Literacy

We have been learning to:

- Use a variety of joining words.
- Making sure our writing makes sense.
- Work out the meaning of new words in our reading book.

Next, we will be learning to:

- Use the correct punctuation for direct speech.
- Work on spelling.
- Use an apostrophe in contractions.

### Numeracy

We have been learning to:

- Use the column method for multiplication.
- Do subtraction with exchanging.
- Use the correct vocabulary for graphs and using money.
- Next:
- We will look at ways to divide numbers up to 3 digits.
- Link division to fraction of a quantity.

### Learning across the Curriculum

We have been learning to:

- Create research questions and posters for our recycling topic.
- We have been looking at life cycles.

Next, we will be learning to:

- Create an invention for the problem and possible solutions of plastic pollution.
- Use programming language-Scratch.

In Primary 4d, we are learning to be respectful and contributing positively during group work in all areas of the curriculum. Some pupils will develop their leadership skills and lead a small group.

### We have investigated 2D and 3D shapes.
