

Loanhead Primary School

P4T Class Newsletter

Mrs Templeman

Term 3 - February 2026

Literacy

We have been learning to:

- Use a variety of joining words.
- Use a comma.
- Work out the meaning of new words in our reading book.

Next, we will be learning to:

- Use the correct punctuation for direct speech.
- Use an apostrophe in contractions.

Numeracy

We have been learning to:

- Use the column method for multiplication.
- Do subtraction with exchanging.
- Use the correct vocabulary for 3D shape.
- Next :
- We will look at ways to divide numbers up to 3 digits.
- Link division to fraction of a quantity.

Learning across the Curriculum

We have been learning to:

- Create research questions for our recycling topic.
- Use coding to programme Micro:Bits

Next, we will be learning to:

- Create an invention for the problem of plastic pollution.
- Use programming language using Scratch.

In Primary 4T, we are learning to take turns and contribute during group work during literacy and numeracy. Some pupils will develop their leadership skills and lead a small group.

Weekly STEM activity:

This pupil had a discussion about how his creation was defying the laws of physics, and he went on to explain how he did it.
