

Loanhead Primary School

P6 Class Newsletter

Miss Wynne

Term 3 - February 2026

Literacy

We have been learning to:

- Read and learn about different aspects of sustainability.
- Note-take.
- Implement our joined-up writing into all our jotters.

Next, we will be learning to

- Write a newspaper article.

Learning across the Curriculum

We have been learning:

- How climate change effects the planet, and all who live within it.
- How to make sustainable bird feeders to help look after all the local birds.

Next, we will be learning:

- How to create sustainable products which can help the environment.

Primary 6 have done a lot since the last newsletter such as run the Children in Need event, organise and deliver their class assembly on their Victorian's topic, and participate in a variety of STEM events.

Pupils continue to work well together and participate well within class as well as the life of the school.

Numeracy

We have been learning to

- Estimate and round numbers to the nearest 1000, 10,000 and 100,000.
- Add and subtract whole numbers within the number range 0 to 1 000 000.
- Multiply whole numbers by two-digit numbers.

Next, we will be learning to:

- Divide whole numbers by a single digit.
