

Loanhead Primary School

P3 Class Newsletter

Mrs Donnelly

Term 1 - September 2026

Literacy

We have been learning to -

- Use phonics to help us spell words
- Use capitals . ! and ? in sentences
- Form letters correctly

Next, we will be learning to -

- Extend sentences using 'and, so, & but'
- Use 'find it, prove it' strategies to aid comprehension when reading

Numeracy

We have been learning to -

- Partition numbers and understand the value of each digit using Place Value
- Recognise 2D and 3D shapes and their properties

Next, we will be learning to

- Develop number using addition and subtraction of one, two and three digits

Learning across the Curriculum

We have been learning to -

- Recognise Change and Loss in our lives
- About Harvest, farming and hibernation

Next, we will be learning to -

- Improve hockey and fitness skills
- Deepen our understanding of space

P3 have settled well as a class and are learning our new classroom routines while developing sharing and caring skills. Our topic this term is 'Harvest'; we will learn about farming/ hibernation in Scotland. We have revised spelling and phonics and will now learn stage 3 sounds. Parents could help at home by practicing new spelling sounds, reading books with your child and consolidating the learning of times tables.

We have been learning about feelings through our Change and Loss lessons and have created this display of those we know.

We worked together to create a Class Charter & talked about our rights and responsibilities. We have promised to be Safe, Respectful and Ready to Learn.
