

Loanhead Primary School

P3/4 Class Newsletter

Mr de Vry

Term 1 - September 2026

Literacy

We have been learning to -

- Use our sounds and diagraphs to help us write sentences independently.
- Use our sounds to help us read independently from our class novel Matilda.
- Create our own writing and sentence structures focusing on punctuation.

Next, we will be learning to -

- Develop our spelling and decoding

Learning across the Curriculum

We have been learning to -

- Write independent notes on our topic of The Vikings.
- interact with others in a positive way and to set an example to others.

Next, we will be learning to -

- Develop our presentation skills by making a creative poster on our topic.

In Primary 3/4 we continue to celebrate how well we follow the school's values and reminders. We are working on developing a positive working environment where we all feel valued, included and respected.

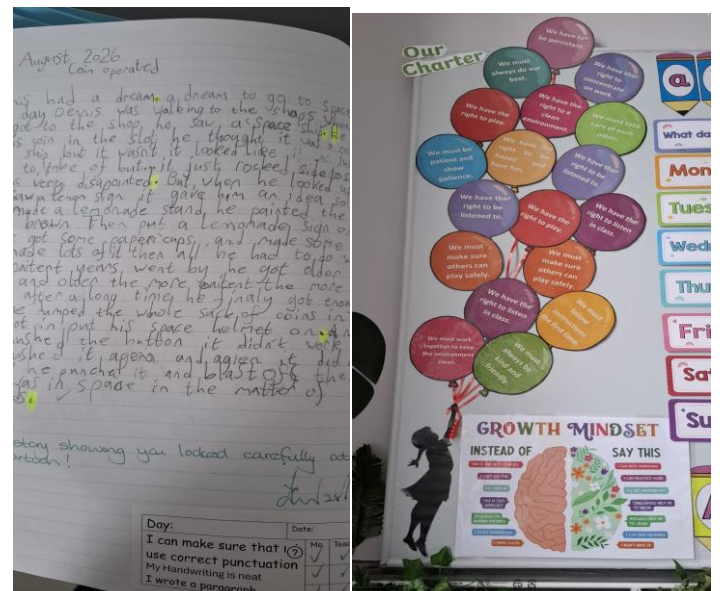

Numeracy

We have been learning to -

- Interpret and solve problems, including word problems, by adding and subtracting to 50 and beyond for some.
- Explore our 2, 4 and 5x times tables.
- Using different strategies to add numbers and develop fluency.

Next, we will focus on addition and subtraction with extended operations.

- Discuss digits and numbers and their position and their values.
- We will work on estimation.
