

# Green Guardian Award Application

Establishment	Annanhill Primary School	
Submitted by	Christopher Ewing – Clean Green Lead	
Date	May 2025	

## Enriching Nature Quests

Tell us about the 3 Quests you completed:

Name of Quest completed	Description/Details	Photo/information
<p>Planting Trees</p> 	<p>We worked with Gargieston ECC who had spare trees that needed planted. We had a good chat as a P3 cohort on the importance of trees and their importance in our environment.</p>	
<p>Growing vegetables in school</p> 	<p>We worked in partnership with the company Grow who give free potato packs! Pupils didn't realise how important growing vegetables is, in meeting demands of giving people food!</p>	

## Making Bug Hotel

Working in partnership with Mrs Smith from East Ayrshire we made bug hotels in the forest out of natural materials. We also explored different wildlife in the forest and how important it is to look after them!

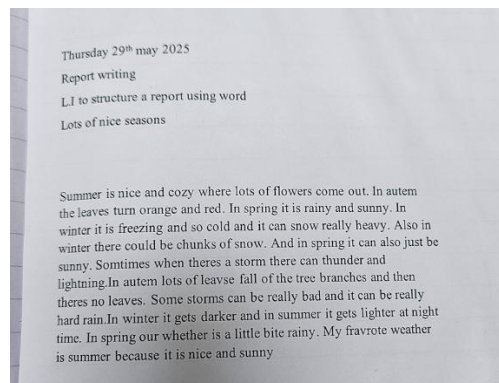

# Embracing Nature Quests

Tell us about the 3 Quests you completed:

Name of Quest completed	Description/Details	Photo/information
<p>I spy Seasonal wildlife</p> 	<p>As part of P1's topic, they are studying mini beasts. They took their learning outside and put their learning to use in an outdoor context! They loved hunting for mini beasts!</p>	
<p>Garden on a Plate</p> 	<p>Working in Partnership with Mitie, we have been developing our garden space! Look at all these hard workers embracing their natural environment! Well done P3!</p>	

## Weather Wizard

As part of our report writing we watched different weathers, matched them with seasons and spoke about the effects the weather can have on our environment. Here are some examples of a report we wrote.

The weather

Today it is very rainy and wet. Sometimes when it is raining it can be very cold. Also it can sometimes be icy and at night it can be very stormy and scary.

If the weather is so cold when you are in your bed at night get a big blanket. There is a type of thermometer that measures the weather. Also it can be sunny while raining i know it is crazy. It can be really windy when it is raining at times. When it is raining you need to stay inside in case you get sick. When it is raining there can be thunder but not normally.
