Dear P7 parents/carers,

P7 Transition Programme – Session 2023/2024

Doon Academy are looking forward to welcoming your young person and family into our school community in August 2024. We have a number of activities planned as part of the transition process and are working closely with each primary school. Our transition programme will begin this month and we are hoping to continue to deliver the following to all primaries:

- Meet your Year Head and Guidance Teachers – Mrs Elder, Mr Kelly, Mr Rowantree and Mrs Telfer will 'virtually' meet all pupils in January and pupils will have a chance to take part in some getting to know you activities and ask questions.
- Tour of the school for pupils, parents and carers on Wednesday 24th January – 3.30-4.30pm
- The STEAM days (Science, Technology, Engineering, Art and Maths) will take place at Doon Academy on 9th and 10th May
- Finally, we will look forward to welcoming your young people at our traditional transition days at Doon Academy on 6th and 7th June

If you have any queries pleased do not hesitate to contact me at the school.

Yours faithfully

A handwritten signature in blue ink, appearing to read "Joanne Jeffers".
