Dear Parent/Carer

I am delighted to be able to say that the development of our outdoor spaces will now be going ahead and work is due to start on Monday 4th March. The company responsible for the works will set up in the top car park which will become the site compound for the duration of the works which is expected to be 8 weeks, finishing at the end of April. Pedestrian access alongside the top carpark to the ECC will be unaffected.

Works will include removal of grassed area in playground and laying of astro-turf, trim trail, netball/basketball court markings in playground, extension of playground in line with current community outdoor space and creation of a 5-a-side astro-turf football pitch located on the grassed area adjacent to the top car park.

Once completed we expect play will be much more positive in the playground as spaces will be better matched to children's needs. This should also mean there is no longer a requirement to have split break and lunchtimes and this in turn will have a positive impact on learning and teaching within the classroom.

Yours faithfully

A handwritten signature in black ink, appearing to read "D. Currie".
