Transition to S1

Transition is well underway for our P7 pupils. As we move into the last term there will be many more opportunities for our pupils to meet staff and familiarise themselves with their new school. Big Walk and Wheel

We are participating in the Big Walk and Wheel fortnight. During this time we are encouraging pupils to walk, scoot or cycle to school. Not only is this active travel good for our fitness levels but it also improves the air quality in our village. **We are sure everyone will agree that the safety of our young people is of utmost importance.** Our school

carpark can be overflowing with cars, let's make an effort to reduce traffic near our school whilst also improving our health over the coming weeks, and beyond!
