

# Dice bingo

Family Maths  
Toolkit

**Play a game of bingo together.**

Copy the grid below for each person.

4	1	5
6	2	3

Take it in turns to roll a die. If you roll a number shown on your card, you may colour or cover it. Only the person rolling can colour or cover that number.

Who has coloured or covered all their numbers first?

**Helpful hints:** You could make different grids for each person playing. Encourage your child to recognise the pattern of dots before counting them.

**Family comments:**

**Child comments:**

## Curriculum Link

Subitising - recognising the pattern of dots to represent numbers and matching to the symbol.
