

Scan me – for Survey

May 2018

Dear Parent/Carer

**Subject: Online Safety Survey**

The East Ayrshire Child Protection Committee (EACPC) is a multi-agency partnership which focuses on keeping children and young people safe, across the area. Part of this is making sure that children and young people know where to get help if they are worried about their own or others safety and wellbeing. This letter is intended to advise you of a forthcoming **anonymous** survey which all school pupils from Primary 4 through to Secondary 2 (inclusive) will be asked to complete.

To help make this task as meaningful as possible, we are repeating a previous (2015) online survey of P4 through to S2 pupils, the purpose of which is provide the CPC with a comparison, over time, in relation to;

- Gauging children and young people's understanding of the phrase 'Child Protection';
- Finding out if children and young people have seen any information on Child Protection related services and where;
- Gaining an understanding of the use children and young people make of the internet in school, at home and in their communities;
- Informing the future content, format and distribution of child protection information; and
- Telling us who they would contact if they or a friend had a problem and what makes them feel safe.

The survey will be undertaken between 18.5.18 and 1.6.18 via an electronic [GLOW questionnaire](#) (hyperlink attached). The questionnaire will also be available to complete online via the **QR code** above or through the CPC's icon link (click on small logo below) located on each school's home blog/external website page and then accessing the survey on the [Information for children and young people](#) page. Alternatively, access to the CPC's home page can be found at <http://www.eac.eu/childprotection> and again click on [Information for children and young people](#) to locate the link to the survey.

Children and young people will complete the survey during class time and support will be provided by the class teacher, if requested.

Thank you

**Kate Thomson**  
Independent Chair, East Ayrshire Child Protection Committee
