
Catrine Primary School Parent Council

What have we been up to this year 2019 -2020?

Term 1 (August - October)

AGM was held - office bearers were elected. Your office bearers this year are:

Chair - Karen Shirkie

Secretary - Fiona McKinnon

Treasurer - Ashley Shankland

We helped school buy Twinkl which is a piece of software which helps teachers plan and provides resources which can be used in lessons. This resource is used by every teacher within the school. Twinkl costs £683.30 per year and was fully funded by Parent Council.

Term 2 (October - Christmas)

We held a disco for the whole school. This is always a well attended event and the kids have a great time!

We also held a Prize Bingo at the end of November where we raised £671. Some of this was used to buy Smyth's vouchers for children. Every child at school had their name put in a hat and this was drawn at Christmas Service.

Another Parent Council meeting took place - minutes are available on GLOW.

The Christmas Fair took place at the school - we had a stall with a chocolate tombola. It always amazes me how many people turn out for the Christmas fair. We also sold tickets for Guess the Elf's birthday and £1 bucket. The parent council made £145.80.

The parent council bought some equipment that the children use during Fun Time Friday. We also donated some money for new books for the children. The donation of £403 enabled the school to purchase items e.g., hula hoops, skipping ropes, balls swing ball, stilts etc.
