

# Catrine Primary School

## Newsletter

*What a wonderful first full week back after the February break, despite the horrendous weather we've been having!*

Compliments

Feel Good!

### Catrine Compliments

We've started a new whole school wellbeing initiative called "Catrine Compliments". Every day a pupil in each class is selected as V.I.P. (Very Important Pupil) and they have loads of special responsibilities and privileges that day. They also receive lots of lovely Catrine compliments from their teachers and classmates, which they will bring home to share with you.

### Assemblies

With the changes to Covid-19 guidelines, we will be starting our weekly assemblies back up from Monday 28th February. It's been nearly two years since we've all been together as a whole school so we're looking forward to it!

Over the next few weeks we will be working through our School Values, focussing first on Respect with an emphasis on the high standards of manners expected throughout the school, playground and dinner hall.

### Reminders

Thank you for your support with our recent changes back to a 9.00 a.m. start and 3.00 p.m. finish for all classes. Please try to keep our main gate clear at all times, and only step forward when it's your child's class. Thanks also to the majority of parents/carers who are following our School Streets regulations—it's helping to make our start and end of our school day safe for our pupils and families.
