We can't wait to see you!

November 2024

How will we make up your new class?

When we make up our S1 classes we work closely with the associated primary schools to find out vital information.

- We first of all keep brothers and sisters together in the same house and will allocate the same Principal Teacher of Guidance. This means if you have a big brother or sister in The RBA you will already know who your Principal Teacher of Guidance is!
- We will ensure across all of our classes that there are a mix of people from all of our primary classes—this means you will know some people from your primary class but you will also make new friends!

Our New House System

We have recently changed our house system and have moved to a 5 house structure. At the moment the houses are represented by colours: blue, green, violet, red and yellow. We are working with our pupils to rename the houses and hopefully this will be in place for Primary 7 starting in August 2025. Look out for our seniors they might visit you soon to ask your opinion on the house names!

Each house has two Principal Teachers of Guidance who are there to support you. You will have access to two Principal Teachers every day with one being your overall Principal Teacher of Guidance. They will teach you personal and social education and will be there to support you if you need it!

My name is Mrs Anderson and I am the year head of S1. I am looking forward to getting to know all of our Primary 7 pupils
