## What's been happening in RBA?

### Visit from Mrs Anderson and PC Aitken

As part of our Transition Programme Mrs Anderson, Year Head, visited all of our associated primary schools. PC Aitken and PC Shirkie were also able to pop out to some primaries to talk about their role as a Campus Police Officer, and show off their police car and kit.

Pupils shared an interesting fact about themselves and Mrs Anderson couldn't believe how many interesting and talented young people we have coming up in August! She couldn't wait to tell the rest of the staff about our future S1.

All pupils were also given the opportunity to ask questions and highlight any worries they might have. At the end of the session almost all pupils felt less worried and are excited about starting in August. Here are some photographs below that we shared on our school Instagram. You can follow us on @TheRBA\_2024

### Below are the East Ayrshire Council Youth Award nominees.

### What have our current S1s been up to this term?

#### *What to expect when you come up to RBA...*

This month we celebrated The Young Musician of the Year Competition at RBA. Some of our current S1 pupils competed in the competition, and one of our S1 boys was crowned the winner for the junior school!

One of our S1 girls was nominated for a East Ayrshire Youth Award and was invited along to the awards night at the Park Hotel in Kilmarnock. We also had a S1 pupil invited as a guest who represented RBA from the Young Persons Pupil Council.

During the month of March each house group in S1 chose a topic to research and present to peers at assembly. Some of the topics covered so far are: Using Social Media Safely, We Are All Different—Celebrating Neuro-diversity Week and Anti-bullying.

**We are so proud of all of our S1 achievements this term!**
