## Home Learning Ideas

Some ideas are included on this page and we have a 'Dino home link challenge' that can be completed. Please send any photos or pictures to the E.C.C. email account which is listed on the 'Dino' challenge sheet.

### Activities

Play a board or card game. Counting the spots on a dice, turn taking and following rules is fun and an important part of life;

Making a simple breakfast e.g. crumpets, toast, cereal or porridge; Draw a picture of your favourite breakfast;

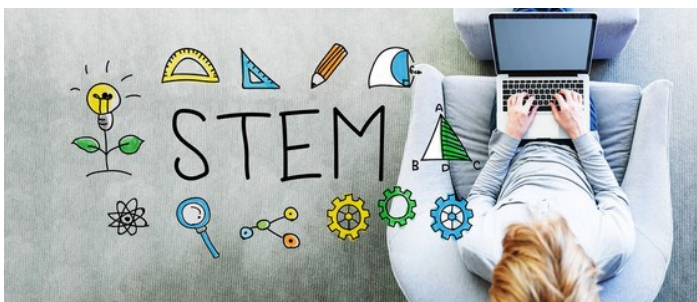

Make a model with 3 things found around the house;  
Play some memory games.

### Useful Websites

There are a range of practical tasks that you can do with your child that incorporate Numeracy & Literacy skills such as cooking, shopping (online if you don't want to go out,) browsing the internet, games and puzzles.

The skills such as communication, working co-operatively, using initiative, problem solving and more can be emphasised as you go about your daily routines.
