

Name: _____

Fenwick Early Childhood Centre

The children have been learning about dinosaurs and developing lots of different skills. They have been exploring both indoors and outdoors.

During the October holiday maybe you could have a dinosaur adventure?

You can post on your child's learning journal or send photographs to eaFenwick.ECC@eastayrshire.org.uk to be displayed in the Centre.

You could do one of these things:

Look for dinosaur footprints on a walk together?

Read a dinosaur story book?

Draw a picture or make a model of a dinosaur?

Make dinosaur fossils from playdough?

Think of your own roarsome idea to share with everyone?
