Donations

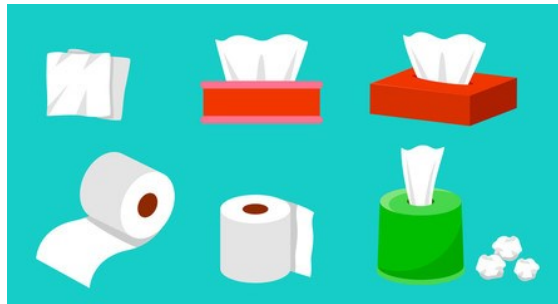

As we head into the Winter months, we are asking if anyone would be able to donate tissues and/or baby wipes.

As you can imagine, we go through a huge supply of both of these.

If you are able to offer a box of tissues and/or a packet of baby wipes we would be very grateful.

Priorities

In August we evaluated progress made last session, in terms of achieving areas in the Improvement Plan and areas staff had focussed on.

Our priorities for this session are:

- Continue to develop our planning to ensure it is child-led and responsive
- Introduce a new tracking system, that will assist with next steps in learning.
- Continue to share children's learning on the E.C.C. blog, Facebook and Twitter.
- Share information with parents via our revised monthly newsletter, blog and the APP.
- Improve the Home Learning activities that we offer to Parents/Carers.
- SIP check
