Outdoor Play

With our fantastic new garden space we will be encouraging the children to access the garden on a free flow basis through out the session.

To help them have the best possible experience it is important to us that they are warm and dry at all times.

Each child will have an outdoor peg where they can store waterproof clothing and wellingtons that can be kept in the ECC.

If you can provide your child with warm, waterproof outdoor clothes such as puddle suits and wellingtons this would be greatly appreciated.

Snack and Lunch

All snack and lunch are provided by the ECC.

We provide a fruit snack for all children during the course of the morning and afternoon

A 2 course lunch is available daily from East Ayrshire Council's Central Production Unit.

Menus are available on the School App.

Due to allergies may we ask that no foods are brought into the ECC with children.

Please note:

We do have a supply spares waterproof clothing and wellingtons that we can use for your child if necessary.

Please provide a change of clothes , especially socks, within your child's bag so we can change them into warm dry cloths in the event of them getting wet.

Your opinion is important to us:

We operate an 'Open Door Policy' within Fenwick Early Childhood Centre.

Parents and Carers feedback is always welcomed as we try to make the ECC the best place for your child to learn.
