Establishment Improvement Priorities

Our priorities in the E.C.C. for this session are:

- Develop a curriculum rationale that will form the basis for self evaluation.
- Further develop knowledge of national practice and guidance in Early Years. Focus on 'Realising the Ambition' and 'How Good is our Early Learning and Childcare?'
- Use our refreshed Vision, Values and Aims and attend monthly assemblies.
- Embed UNCRC principles (Rights of the Child).
- Staff development sessions in Nurture, ACE's and Trauma.
- Further develop Learning Journals and GLOW as a method of communication.

Eco Committee

Our ECC would like to help improve our environment and we are setting up an eco committee. Our job is to *help the planet by spreading awareness of environmental issues and doing our best to lead change.*

We would love it if Parents/Carers and members of the local Community were able to help us and get involved in some of our meetings. A Survey will be sent out to gauge interest.

Vision Value Aims

All Parents and Carers in the ECC and School worked together to decide on our new V.V.A.

Our Vision—is to deliver equity for all in a safe, happy and nurturing environment, thus allowing everyone to achieve their maximum potential by being the 'best they can be'!
