

ECC Potted Sports

Thursday 8th May 2025

1.45 -2.45 - King George X1 Playing Field

Parents, Carers and Friends are invited to come along to the ECC Potted Sports at the date and time above.

This event is hosted by P6, who have planned, prepared and practiced the Potted Sports events with the ECC children as part of their Leadership Programme and Buddy Programme. P5 will also be attending the Potted Spots to cheer on their ECC buddies.

The children will be moving around 4 stations in timed events. There will be an area designated for spectators to stand at each station.

We understand that events like this can be daunting for young children so to help support this an adult can participate with the children at each station, if they feel this would be beneficial. We ask that <u>1 adult only</u> attends each station and others can watch from the designated spectators section.

Photographs - We realise this is an exciting event and that you may wish to take photos of your child. Please be mindful that some of our children are not able to have their images shared online. We respectfully ask that you do not take pictures of other children.

<u>Timetable of</u> events:

1.45 - 1.50 - Welcome

1.50 - 2.25 - Potted sports

2.25 - 2.40 - Presentation of certificates

2.40 - 2.45 - Close
