Rainforest Adventure Script

Expedition leaders hack their way into a clearing. They stop, catch their breath, swat insects and look out.

- A Look. There's a way across.
- B Think we'll make it before nightfall? (Swats another insect)
- A We've no choice. (Calling behind) Come on guys just a bit further!

C cries out in pain, enters limping and collapses clutching leg.

| В | What is it? |
|---|--|
| Α | Let's see. (Looks at C's leg) |
| С | (In agony) Aaah! (Tries to speak through gritted teeth) Back there! Think it was a |

What happens next?

Think about -

| Characters | Who are these people? What is their relationship? |
|------------|--|
| Setting | Where are they? Where are they going? Where have they come from? |
| Action | What are they doing? |
| Intention | What do they want? |

Allow some time for reactions. Try to be specific.
