

Just a short week this week, so we are going to have a taster of Spanish and learning a little about the country. Within this overview links to videos and pictures are shown in blue underlined text. I will continue to mark your Notebook with a 'thumbs up' emoji to show I have given feedback. Please add new work to a new page. Remember, I am here to help.

18th – 19th February 2021

This is a suggested schedule to help you plan out your week. You should feel free to make changes to suit your own circumstances. I have given the activities star ratings to guide you in your choice of activity, you could set yourself a star goal each day or see how many stars you can get over the week. There are lots of stars available each day and you can gain a star for each day you complete the daily tasks.

Again this is just a guide you should feel free to adjust the schedule and star target to best suit you and your child. Further detail on each activity is given within the rest of the overview.
