

This week is due to be our last week before we are together back in school and I look forward to seeing you all next week. We are going to continue our work on the Romans and some of you may want to have a Roman feast at home. Within this overview links to videos and pictures are shown in blue underlined text. I will continue to mark your Notebook with a 'thumbs up' emoji to show I have given feedback. Please add new work to a new page. Remember, I am here to help.

Roman Clothing and Food

This is a suggested schedule to help you plan out your week. You should feel free to make changes to suit your own circumstances. I have given the activities star ratings to guide you in your choice of activity, you could set yourself a star goal each day or see how many stars you can get over the week. There are lots of stars available each day. You can gain a star for each day you complete the daily tasks. Again this is just a guide you should feel free to adjust the schedule and star target to best suit you and your child. Further detail on each activity is given within the rest of the overview.

WILD Challenge

• Minibeast Safari

A few weeks ago we made a log pile or rock pile. This week we are going to have a look and see if any minibeasts have made use of your piles. If you didn't get a chance to make a log or rock pile you can explore under plants and rocks for any minibeasts you can find. There are identification sheets in the Week 9> WILD Challenge folder. Remember to return any minibeasts you find to where you found them.
