

Soaring to Success

TOGETHER

Primary 6/7 Homework - Monday 24th May 2021

Maths:

- Semi-Circles - Research online - find out about different types of bank cards and different ways of paying for things. Think about researching credit and debit cards and other ways of borrowing money from the bank for larger purchases - for example a car or a house. Be ready to discuss these in class on Wednesday afternoon.
- The Circles, Squares and Triangles are going to be starting to learn about money this week. Through World of Work and National Numeracy Day activities, we have already started talking about the importance of budgeting. Have a go at this game from the Royal Bank of Scotland - consider your wants and needs before spending any money!

Reading - Giglets: There are a number of outstanding tasks allocated - please use this week to catch up on one that you have missed from previous weeks. If you are up to date, please take this time to read for enjoyment. You can select a book from Giglets or even a book you have at home.

Spelling - This week, use the word list for your spelling group below to create an imaginative paragraph, using as many of your words as you can. Can you also include similes, metaphors and creative vocabulary?

Red Apples - too, school, some, never, know, yellow, father, mother

Green Apples - Art vocabulary - remember to select and focus on words in your stretch zone!

Art		
acrylic	easel	landscape
charcoal	exhibition	palette
collage	frieze	pastel
collection	gallery	portrait
colour	illusion	sketch
dimension	kiln	spectrum

Glow Blogs - Please keep checking our School Blog which can be accessed through the 'News' section within our School App. This is our way of sharing the learning with our families during this time. Did you see your class round up at the end of last term?

****If you have any trouble with your log ins for Sumdog or Giglets, please tell me in class or email me on claire.stevenson@eastayrshire.org.uk and I will get back to you as soon as I can! ****
