Primary 6 Homework - Tuesday 1st June 2021

As this is a short week this week, your homework task has been set by the Outdoor Learning Pupil Group in Primary 3/4 and Miss Wallace. Think about our trips in Craigengillan at the end of 2020 to help you! You can create your poster on paper and photograph it to email, or if you would like to create a poster digitally, then upload as an attachment or email it to me!

claire.stevenson@eaststyrshire.org.uk

A poster titled 'Outdoor Learning Challenge' with a green border. The background features a green field with flowers and trees. The text is centered in a white box with a green border.

Outdoor Learning Challenge

The Outdoor Learning Group would like to see if you can help them learn more about nature in and around Dalmellington. Please could you create a poster about:

- P1 and P2/3 – A local animal.
- P5 and P6/7 – A native tree or flower.

Your poster can include a picture and information about your chosen animal, tree or flower.

Please send your poster to P3/4 and we will include our favourites in our assembly on the 11th June.

Glow Blogs - Please keep checking our School Blog which can be accessed through the 'News' section within our School App. This is our way of sharing the learning with our families during this time. Did you see your class round up at the end of last term?

****If you have any trouble with your log ins for Sumdog or Gidgets, please tell me in class or email me on claire.stevenson@eastayrshire.org.uk and I will get back to you as soon as I can! ****
