

Primary 6/7 Homework – Monday 23rd August

Soaring to Success

TOGETHER

We hope you have had a great summer holiday and are rested and ready for the new school year! We will be sharing information through the school app and website. This week we are going to focus on getting our online resources working and refreshing our knowledge of the PATHS resource. If you have any trouble please let us know in class or email us at: claire.stevenson@eastayrshire.org.uk or tracy.wallace@eastayrshire.org.uk and we will get back to you as soon as we can.

Literacy and English

Log on to Giglets at home by going to <https://giglets.com/> Look through the READ ME! book to revise how to use the features of Giglets.

Numeracy and Mathematics

We are going to look at your knowledge of times tables over the next few weeks. Choose a table or tables you wish to revise and see what your best time is with Hit the Button.

Health and Wellbeing

We have been using PATHS to help us create our class charter which will be ready to share soon. Please share what we have decided is important in our class with someone at home. Further information on PATHS will be available through the school app.
