Parent Council Update

The Parent Council met with the Head of Facilities Management and the Project Manager for the Doon Campus Refurbishment project. There was an opportunity to ask questions about the project and how it will affect the children. In the new year, we will be starting consultation with all our stakeholders as we move to the next part of the project.

A big thank you to the Parent Council, who have provided all the children with an advent calendar which they will bring home this week.

Remembrance Sunday

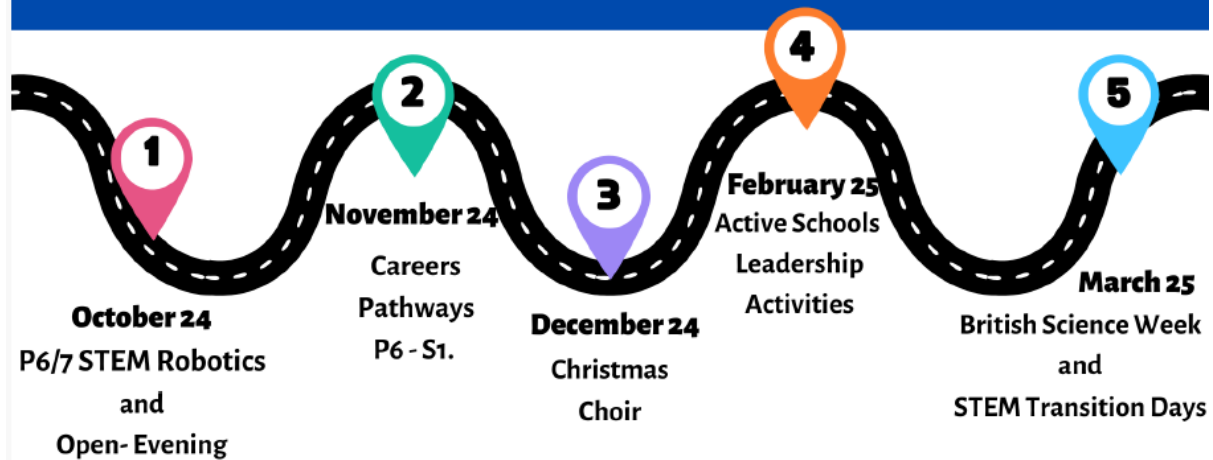

Some of our House Captains worked with Mrs Leslie to create Dalmellington PS and ECC' Remembrance Wreath. They attended the Remembrance Parade and laid the wreath at the War Memorial on behalf of the school. Thank you to them for representing the school so respectfully.

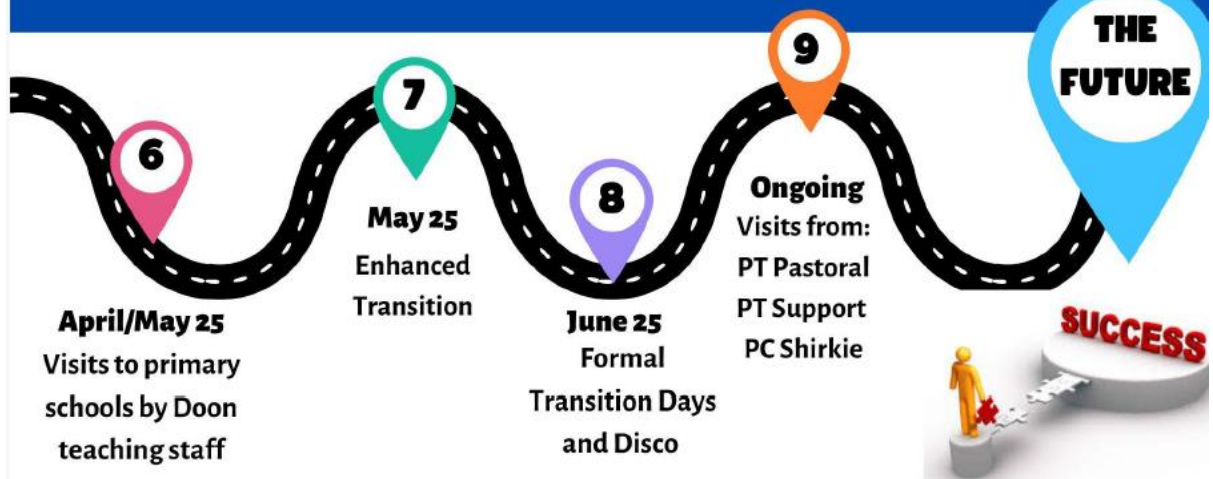

Transition

The next event for our P6 and P7 pupils will be a Career's Event in Doon Academy on Tuesday 3rd December. Please see the transition road map below for more information.

DOON ACADEMY TRANSITION PROGRAMME

DOON ACADEMY TRANSITION PROGRAMME

P4-7 Ceilidh

P4-7 parents are invited along to our Christmas Ceilidh on Monday 2nd December. P4-5 will take to the dance floor for the first half hour, then there will be an opportunity to visit the class, have some shortbread and some juice. P6-7 will have a chance to visit the class at 2pm, have some refreshments before taking to the dance floor at 2.30pm

Mother Goose

The school will be visiting the Gaiety Theatre on Wednesday 4th December to enjoy a performance of Mother Goose. The children will return after lunch time so they should bring a packed lunch that day or order a lunch from the school kitchen.

Stay and Craft

On Thursday 5th December at 2pm, parents/families are invited in to join the children for some Christmas Crafts.

Dress Down Day

On Friday 6th December, we are having a dress down day. We ask that children bring a chocolate donation in return for dressing down. These donations will be made into a hamper which will be raffled during the school show.

Reindeer School

Our cast and all our classes have been rehearsing for this year's Christmas Show - Reindeer School. We will be sending home information about items we will be looking for the children to try and provide for costumes. This will happen so we have time to source other items if need be. We are looking forward to sharing our hard work with you all on Wednesday 11th December at 2pm and 6pm. A letter will be sent home so that you can order tickets.

Wet Weather

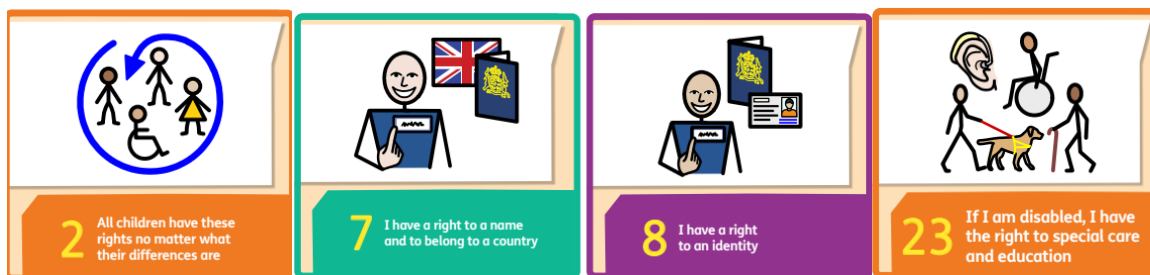

Please ensure all pupils are coming to school with a waterproof jacket each day. We have regular opportunities for learning outdoors and continue to have breaks outside throughout the school day, including on rainy days.

Rights Respecting Schools

Our Rights Respecting Squad are planning for our focused articles for December, as well as linking Global Goals.

Throughout December we are focussing on supporting others and the right to an identity.

Global Goals 5 - Gender Equality and Global Goal 10 - Reduced Inequalities.

Wider Achievement

We would like to celebrate achievements of our wonderful pupils both inside and outside of school. We have a display in our corridor where photographs can be added so all can see! Pupils are also invited to share success at our assemblies. If you have something you wish to share, please click on the form link.

OSPREY'S ROUNDUP GALLERY

ECC

The ECC have been enjoying their Books of the Week. Recently they have been reading 'Sharing a Shell' and Zog and the Flying Doctors. They have also been learning some Nursery Rhymes as part of World Nursery Rhyme Week.

Our ECC children have been enjoying this crisp, cold weather by wrapping up and getting out for some community walks to try and find Jack Frost.

P2/1

P2/1 are busy preparing for their Nativity show as well as the school show. They have also learned about Remembrance with a visit to the War Memorial and creating beautiful poppy artwork.

P4/3

P4/3 have been learning all about people who help us. They have enjoyed visits from a local Firefighter and popped through to the Leisure Centre to find out how the staff can help us.

P5/4

P5/4 have just completed their swimming block with a fun session. They have developed lots of skills to stay safe when in the water. We have also been learning different strategies within multiplication.

P7/6

P7/6 have been working hard with preparations for the Christmas Show. We have created posters in writing to advertise our show. We have also been learning about calming strategies through our PATHs lessons and are supporting each other in using what we have learned.
