

Global Goal and Right of the Fortnight

December 2025

Our focus theme: Christmas

Our Global Goal number 4 is all about access to education. At our assembly we learned that not all children have access to education across the world and millions of children need to travel for hours to get to school each day. We talked about the importance of this Global Goal for children all over the world.

Article number 14, which is the right to have own thoughts and beliefs and to choose a religion. We are learning about the Christian festival of Christmas in our classes, through our nativity and we are looking forward to a special assembly on Monday 15th December to learn even more about the meaning of Christmas.
