

Global Goal and Right of the Fortnight

January 2026

Our focus theme: Included and the Right to Identity

Our Global Goal number 5 is all about gender equality. Through our assemblies in January, we are discussing what this means. Gender equality aims to eliminate gender discrimination, to ensure that everyone has the same opportunities and are included. We are linking our learning Global Goals 10 discussed earlier in January, where we learned working to eliminate all forms of discrimination.

Article number 7 states that all children have the right to be registered at birth, have a name and nationality. Article 8 is about the right to an identity and the government must protect and respect this right. We are learning that our identity is who we are and celebrating that we are all unique through our PATHs focus at this week's assembly.
