

Darvel Primary School

P6 R12 Class Newsletter

Mrs MacLeod/ Mrs. Smith

June 2023

Literacy

We are

- Inferential and evaluative questioning
- Reading for understanding across various parts of the curriculum
- Starting our 2-week spelling program
 - Letters this month /ow/ /oi/

Learning across the Curriculum

We are learning about

- Our bodies
- Positive mental health
- Relationships in HWB

Also, finishing

- Habitats and adapting to habitats
- Dependency on food in our food

Thank you to all the parents who came to speak to us both on Parent's Night, it was lovely to share and hear all about our young people.

We have had Health Week where we enjoyed a multitude of diverse activities, we may not otherwise get to enjoy. We had laser tag, clubbersize, KFC activities, karate and a visit to Darvel FC.

We have also been enjoying our Outdoor Learning and planting a range of vegetables, they will need extra water in this lovely weather...

Finally, we took our recipe writing active and made pancakes, writing the recipe at the same time. They were very lovely and we ate them warm. Yummy!

Numeracy

We have been working on

- Time and Measure

Next we will be doing for the last term

- Word problems, identifying which operand to use.
- Taking our learning outdoors

May 31st. It's growing for sure. Keep watching this

Sports Day

Making pancakes and eating them warm!
