P2 Class Newsletter

Mrs Morrison/Mrs Hamilton

September 2022

Mrs Morrison would like to say a huge well done to all the pupils in Primary 2! They have all settled very well into their new classroom together!

There are a few jumpers and cardigans at lost and found, can you please ensure that all items belonging to your child are labelled.

Numeracy

This week we have begun learning about Number Processes, including Place Value, before and after and will begin addition and subtraction later on in the week, which will continue for this term!

We have also been learning all about shapes with Mrs Hamilton!

Literacy

We have now begun our new Active Literacy Programme and have been revising 'sh', 'th', 'ng' and 'ch' this week. We have enjoyed learning through lots of different activities including playdough, sand and games.

After some revision we will begin to learn our new sounds!

Learning across the Curriculum

This term we will be learning about Holidays and the Weather!

So far we have looked at seasons and the climate and will be having a holiday themed day in class at the end of the topic!
